DEVOTION - The Reviving Word

"It is not an idle word for you; indeed, it is your life." Deuteronomy 32:47

God's Word is not like other writings. It is different because it "is living and active" (Hebrews 4:12). It has vital power that's alive not merely in an earthly sense but also in an everlasting manner. Isaiah 40:8 tells us, "The word of God stands forever." In other words, Scripture works to give you life — here and eternally.

How does it do so? The Bible guards what is sacred within you, feeds you as you mature, nourishes you when you're weary, comforts and strengthens you when you struggle or mourn, purges what is destroying you, brings you healing, and so much more.

It's amazing how the Father will bring to mind the perfect verse when you're hurting, counseling others, needing wisdom, or requiring encouragement to endure difficulties. The Holy Spirit works through Scripture to reveal Himself, teach us how to walk with Him, conform us to Christ's image, minister to others, and breathe resurrection life into us.

With other writings, you bring your conceptions to them. But the Word of God brings the Lord's wisdom and understanding to you. And in that is life — abundant, everlasting, fulfilling life. So don't ignore it. Read it and live!
